

CBTF Sanction Request Form

October 2024: Updates effective September 2024.

The Sanction Form is a fillable PDF and supports several types of electronic signatures - typed, drawn, and also digital e-signatures.

If you are not familiar with Fill & Sign PDF Forms, here are a couple helpful references from Adobe:

- <https://helpx.adobe.com/ca/reader/using/sign-pdfs.html> [2]

Please note: several features of the Adobe Fill & Sign PDF Forms are not supported on MacOS or iOS Preview, or from within a web browser. For the form to work properly, the Sanction Form should be downloaded and saved on your device BEFORE filling in any details - you should use Adobe Acrobat or [Adobe Acrobat Reader](#) [3] to fill in the form on your device.
