Important Competition Information - Please Read Carefully

****NEW** Provincial Practice:**

There will be no official provincial practices. Provinces and/or clubs are encouraged to book paid practice time if they desire additional time beyond that which is being offered during the course of the competition.

****NEW** Access to Competition Sound System During Paid Practice time:**

There will be no access to the facility's sound system during paid provincial practice times. A portable CD player will be made available for your use.

****NEW** Music Test Procedure:**

All athletes/Teams/Pairs are required to submit (one) copy of their music on CD with their entry forms. These will be timed and checked to ensure they play on the sound system prior to the competition. Coaches will be notified well in advance of the competition should there be a problem. **There will be no formal music tests conducted prior to competition.** As per WBTF/CBTF rules, official timings of the music will take place during each round for each Freestyle/Pair/Team performance. As a precaution, the first 15-20 seconds of all competitors' music will be "pre-tested" during the open practice times scheduled for Saturday May 21 and Sunday May 22. *Should an athlete's music need to be changed at anytime between the entry deadline (April 10) and the Team Trials competition (e.g., length, editing), revised CDs will be accepted by the Competition Director up until 9:00 am on Saturday May 21.*
