

NHL Playoffs and CBTF Hockey Pool Draw To A Close

June 14, 2010 - Our first annual CBTF hockey pool has come to a close! What an exciting NHL playoff season it was! Who would have thought Montreal and Philadelphia would have made Final 4, and that Ovetchkin's Washington, and Sid the Kid's Penguins would be out in the First & Second rounds???

Well, as we all know Philadelphia and Chicago made the finals with Chicago taking the ultimate prize. But aside from the Stanley Cup, WE have other great prizes to award

Congratulations to Jeff Jones (Jeff BA), our \$1000 winner!! Jeff purchased his pool from Dakota of Baton Atlantik.

Congratulations to our 2nd place winner of \$500, Margaret Peterson (Troop 45) who purchased her poolsheet from Nicole of SOBG.

And, congratulations to our 3rd place winner of \$250, Don Beck (Clubhouse 23) who purchased his poolsheet from Kiara of SOBG.

What a great return on their \$20 investment - and lots of fun watching how you are doing in the pool to boot!

Jen Meron, pool organizer, will be contacting the prizewinners by telephone, and arranging to get them their winnings. If possible, if any of these folks are parents who would be coming to Toronto for Canadians, we would love to present it personally.

Remember, at Canadians we will be having our athletes draw for more great prizes!

- Cash.....
- CBTF souvenir tshirt.....
- Free admission to the Pride of Canada clinic!

For every pool sheet an athlete sold, their name was entered in the draw. Good luck to all.

Again, thanks to those of you who supported this CBTF fundraiser!
