

2011 International Cup Late Declaration Process

Canada is allowed to send up to **10** athletes in all Individual and Pair Events/Divisions/Levels and up to **6** Teams/Groups in each Level - spots in some Events/Divisions/Levels are still available. These remaining vacancies can be filled by athletes following the Late Declaration Process, strictly on a first-come first-filled basis. Once all spots in an Event/Division/Level have been filled, no further declarations for that Event/Division/Level will be accepted.

As approved by the CBTF Board of Directors at its 2010 Fall Board Meeting, Late Declarations will be accepted under the following conditions:

- A Late Declaration Fee will be assessed (\$25 per athlete)
- The appropriate (Individual, Pairs, Team or Group) International Cup Declaration Form must be completed.
- The \$200/athlete Contingent Fee Deposit must be submitted.
- For No-Qualifier-Required Divisions:
 - Late Declarations be allowed in Divisions with available slots, on a *first-come first-filled* basis.
 - Late Declarations be allowed from January 1, 2011 through May 20, 2011.
 - The Declaration Form, Contingent Fee Deposit and Late Declaration Fee are submitted directly to CBTF using the mailing address found on the Declaration Forms.
- For Qualifier-Required Divisions:
 - These events will be held at the International Cup Qualifier in Calgary
 - Open to all entries – those that have already declared as well as any others
 - The Declaration Form, Contingent Fee Deposit and Late Declaration Fee can be submitted along with the Qualifier Entry Form

Refer to the [Results of the 2011 International Cup Declaration Process](#) [1] article to identify the No-Qualifier-Required and Qualifier-Required Divisions.

The International Cup Declaration Forms are available in the [Forms](#) [2] section of the 2011 International Cup Qualifier section.
