
On-Site Vendors and Merchandise

International Cup Fan Shirt - The official CBTF Fan Shirt will be on sale. This shirt continues the tradition that began in 2010 - all spectators and coaches who are attending the International Cup in Almere, Netherlands are encouraged to have one in their competition wardrobe!

For International Cup spectators and coaches, this shirt is worn to the competition facility so the world can see our Canadian Pride!

This year's shirt is available in both a V-Neck for women and a Crew Neck for men - so it is flattering for both sexes.

International Cup Athlete Clothing - Practice and competition days will have designated colours for all athletes - Red, White or Black. In addition to the fan shirt there is a great long sleeve red shirt that in the past the athletes have loved. There will be matching shorts with a very cool rhinestone maple leaf on them. Get these while they last!!
