October 1, 2013 - The CBTF Technical Committee is pleased to announce a special learning opportunity for its members...

DAZZLING!!!

ONE OF NORTH AMERICA'S TOP COACHES AND JUDGES...

**....ONE OF THE MOST TALKED ABOUT SEMINARS AT THIS YEARS
INTERNATIONAL CUP**

***** COMING TO CANADA THIS FALL *****

Don't miss your opportunity to participate in Kathy Forsythe's webinar series on multiple baton for coaches and judges.

In addition to the skills learned in the Solo event, the Two-Baton twirler must learn correct timing and how to coordinate and integrate both batons so they complement each other. When this is done correctly a higher level of difficulty is accomplished.

This education webinar series is divided into three sessions. All three sessions are valuable to both coaches and judges - members are encouraged to attend all three sessions regardless of your professional focus. The online webinar series includes:

Webinar #1 (October 27)

This session is designed to aid the coach when instructing the basics of two baton. It also aids the judge to recognize correct timing and execution. Webinar #1 includes:

- the modes that should be included in a two baton routine
- the timing required to accomplish certain moves
- how to teach the basic skills so that execution is seamless

Webinar #2 (November 10)

This session deals with the judging of two baton (International Cup Levels B and A):

- recognizing difficulty and intricacy in each of the modes
- determining the variety of 2 baton skills
- rewarding proficiency displayed through the inter-relationship of the batons

Webinar #3 (November 17)

This webinar series is being offered at CBTF-subsidized rate of \$25 for all three webinars, or at \$10 per webinar on a session-by-session basis. Online Seating is limited - only 25 sites can view the webinar - so act fast to avoid disappointment.
