- Priority for music is given to the Centre court
- Access to the official sound system will be available during your provincial practices. It is during this time that we will establish the volume and pitch requirements for your province's athletes.
- Music may be used in the side courts provided it does not interfere with the activities in the Centre Court. Each province/club, however, will be responsible for providing their own sound system.
- There are a few times still available for rent. Please contact the Elan Paluck ([technicalchair@cbtf \[dot\] ca](mailto:technicalchair@cbtf.ca)) if you would like to secure these spots. Additional rental requests will be handled on a "first come-first serve" basis.
