
2018 CBTF Health Certificate

As part of the athlete accreditation process, the CBTF requires that all athletes provide a Health Certificate indicating they are in generally good health and are fit to compete.

The official CBTF Health Certificate is attached. It must be completed and signed by a physician. The completed form must be submitted with the athlete's entry form for the National Team Trials. If the completed form is not received with the entry form, then the athlete will not be eligible to compete at the National Team Trials - no exceptions.

Athletes are recommended to make their medical appointments as soon as reasonably possible to ensure their entry is not jeopardized.
