Over the past two years, CBTF has taken some significant steps with the online delivery of much of our education material through the CBTF Education Portal. Join CBTF Technical Chair Dana Peteleski as she takes everyone on a guided tour of the Education Portal - demonstrating some of its basic features and showing you how to access the material that is available.

The webinar is scheduled for **March 20, 6pm CT** (adjust for your local timezone - and remember that Daylight Savings Time kicks in the morning of March 13). Advance registration for this meeting is required in order to receive your personal Zoom link:
