
Coaches Corner Series, Guest Speaker: Maureen Johnson

Event Category: [Meeting](#) [1]

Event Date: Oct 30 2011 - 12:00am

Guest Speaker: Maureen Johnson

Topic: Recreational Twirling

Questions on lesson planning, what to teach and when, how to keep children interested, are just some of the topics that could be addressed. Maureen Johnson, our first guest speaker, has had a great deal of success operating a club and coaching her recreational students into success stories as competitive twirlers. What's her secret and what wouldn't she do again? These are all things Maureen is prepared to share with our technical community!

You may either be on the call just to listen, or you may send a question to kimgenton@gmail.com to be answered by Maureen and discussed by our participants. All submissions and interest to be on the call must be sent by October 28th, 2011 to Kim, along with your Skype address so that you can be contacted.
