Group Coaches... here is your chance! This Coaches Corner call will give you an opportunity to ask questions that focus our group events. Anything from questions about the Group Declaration process, to an open discussion on the future of our group event structure.

The 2011 Technical Meeting concluded with all representatives agreeing that the 2012 Technical Meeting needed to focus on group events - this Coaches Corner is an opportunity for you to influence that meeting.

To register for the Skype conference call, send your Skype address to president@cbtf [dot] ca before January 21. Advance questions can also be sent to president@cbtf [dot] ca.
