

CBTF-Certified Coaches

As of Nov 10, 2024 - This is a list of coaches and their CBTF coaching status.

There are three steps to each level of training in the CBTF Coaching program:

- In-Training - the participant has completed the Theory portion of the coaching course at that level
- Trained – the participant has completed the Practical portion of the coaching course at that level
- Certified – the participant has completed the NCCP Requirements plus the final Evaluation portion of the coaching course at that level

Individuals who feel their information is incorrect or that are missing from the list are asked to use the CBTF Contact Us page to contact the CBTF Coaches' Representative to determine their current status and any potential errors.
