As announced at the recent "What's New" webinar, the annual judges update sessions will take place on November 14th and 16th. All certified judges (all levels including our new D1 judges) are required to attend one of the sessions (choose one, not both!).

Register in advance for this meeting:

After registering, you will receive a confirmation email containing information about joining the meeting. The join links will be sent the day prior to the meeting.

The judges update is not recorded - it must be attended in person in order to qualify as an update.
