
International Cup Content Restrictions Webinar (Option 1)

Event Category: [Meeting](#) [1]

Event Date: Mar 3 2013 - 12:00am

During this webinar, content restrictions for Level A and B Solo, Two baton, Artistic Twirl and Group/Team will be covered. The online meeting system (GoToMeeting) will be used to allow us to simultaneously watch videos and converse.

WHO SHOULD PARTICIPATE IN THE WEBINAR?

- All USTA judges and coaches participating in the 2013 WBTF International Cup
- All CBTF judges and coaches participating in the CBTF International Cup Qualifier
- All US or Canadian coaches and judges who enjoy staying abreast of recent developments in our sport

WHAT WILL YOU NEED TO PARTICIPATE?

You will require access to a computer with a microphone. All newer computers come equipped with these features built in. However, if your computer is older, you can pick up a fairly decent head set at an electronics store for less than \$15.

Prior to the webinar, please take the time to review the International Cup Content Guidelines. A familiarity with the guidelines is expected as we will be viewing videos and completing brief practical assignments. This seminar does not begin at "square one" - it is important that you are somewhat familiar with the restrictions.

Some sources of information available for International Cup Content Restrictions include:
