What's New Webinar

Event Category: [Meeting](#) [1]

Event Date: Jan 19 2014 - 12:00am

The CBTF Technical Committee is hosting an important recap of the new and exciting changes that are in store for the 2014 competition season. This is a great opportunity to ensure that you are equipped with the most up to date and accurate information. You cannot afford to miss this event!

The meeting will be held via *GoToMeeting* on Sunday January 19th (8:00 - 9:30 pm Eastern Time). To participate you will require a computer/laptop with a microphone and speakers, as well as internet access.

Due to limited capacity on *GoToMeeting*, two "sites" were reserved for each province. The few remaining spots have been opened up to our general membership on a first come-first serve basis.

There is no fee to participate in the *What's New Webinar*, but you must pre-register! Make it into a social evening, and invite your colleagues over to watch from one computer! To pre-register, select the 'Signup' option below.
