Competition Brochure and Entry Forms

The competition Brochure and Entry Form are now available on the CBTF website. Please note that there are new entry procedures as well as a new process for music tests. Please review the information, and deadlines, in the brochure. To highlight a few of the key differences from prior years:

- **Access to Competition Sound System During Paid Practice time:** There will be no access to the facility's sound system during paid provincial practice times. A portable CD player will be made available for your use.
- **Music Test Procedure:** All athletes/Teams/Pairs are required to submit (one) copy of their music on CD with their entry forms. These will be timed and checked to ensure they play on the sound system prior to the competition. Coaches will be notified well in advance of the competition should there be a problem. There will be no formal music tests conducted prior to competition.
- **Photograph:** Every Freestyle athlete participating in the Canadian Team Trials must submit an individual (head shot) photo. Pair athletes must submit one Pairs photo. Teams must submit one Team photo. Photos are to be submitted electronically, following the naming conventions outlined in the brochure.

World Championships

On February 5, Karen Gratton announced that the Worlds Selection Committee completed its work. The two judges selected to represent Canada at the 2010 WBTF World Championships in Bergen, Norway will be Ron Kopas and Tina Larson. In addition to their judging duties, they will also be representing Canada at the WBTF Technical Committee and Judges Committee Meetings held in Bergen before the competition begins.

This year marked a change in the process of choosing Canada's judges to the World Championships. The CBTF Executive selected one judge and the second judge was selected by a committee composed of two Canadian coaches with recent experience at the World Championships (Loren Dermody and Maureen Johnson), two Canadian judges certified to judge the WBTF events (Gail Ashcroft and Lucinda McMaster), and two technical members familiar with WBTF competitions and procedures (Karen Gratton and Elan Paluck). The CBTF Board extends its thanks to this group for the thought and consideration they put into determining their choice for Canada's judge.

On March 2, we announced that Steven Kopas was selected to be the Team Manager for the Canadian Contingent to the 2010 WBTF World Championships in Bergen, Norway. The selection committee consisted of: Joanne Moser (CBTF 1st Vice-President), Beth Jamieson (CBTF 2nd Vice-President) and Karen Gratton (CBTF Technical Chair). The committee was chaired by Jeff Johnson (CBTF President).

Steven has a long history in baton twirling. Internationally, he represented Canada at the WBTF World Championships every year from 1993 through 1997, placing 5th in the Junior Men division in 1994 and 6th in the Senior Men division in 1997. Steven will be working with the Coaches, Athletes and Judges named to the 2010 Canadian Contingent in the months leading up to the event.

WBTF Winter Technical Meetings

In mid-February, the WBTF held its annual Winter Technical Meetings in Bergen, Norway. These meetings involved both judge and technical representatives from the WBTF countries. Canada sent Ron Kopas and Karen Gratton.

Historically, the Winter Technical Meetings are a very active 'working' meetings and this year was no exception. Minutes of the Technical Meeting and reports from Karen and Ron have been posted in the Document Library of the CBTF website and are available to all Board, Technical Committee and CBTF Type C members (direct link: WBTF Winter Technical Meeting 2010). Users must login to the website in order to access that page.
