Japanese Earthquake/Tsunami Relief Fundraising Efforts

We have all witnessed the devastation of the magnitude 9.0 earthquake and tsunami that struck Japan on March 11. The magnitude of the disaster seems to grow each day, with almost 30,000 people reported dead or missing and over 550,000 displaced from their homes.

The world baton twirling community has also come together with a variety of fundraising efforts - all geared toward raising funds that will specifically be used to help our twirling friends in need.

The CBTF has partnered with the USTA with a wristband fundraiser. The wristbands are being distributed to the provinces so they can be used to raise funds for earthquake & tsunami relief for the Japanese baton twirling community.

In addition, the CBTF has partnered with the German Twirling Association (DTSV), member country of the WBTF to produce a set of 'Twirling For Japan' shirts and other merchandise - all proceeds will be directed toward earthquake & tsunami relief for the Japanese baton twirling community.

Attention All Competition Directors

All Competition Directors are required to submit the results from their competitions within 7 days of the end of the competition (Motion 37, 2007 Fall Board Meeting).

To help facilitate this submission, we have created an online form on CBTF.CA. When you use this form, your results are automatically sent to the CBTF Data Entry Coordinator. You can submit your results in a variety of electronic formats: Plain Text file, MS Word, MS Excel, PDF, JPG (in case you scan a hardcopy) and even a ZIP file.

This new online form can be accessed at: [Competition Results Submission](#) [12] form.

Fundraising Reminders

As members of CBTF, there are a variety of fundraising opportunities that you can help raise money for you, your club, and CBTF. Have a look...

Coast to Coast Cookbook

Some copies may be available from your provincial organization - check with your Provincial Chairperson to find out about availability. Copies are also available for purchase from the [CBTF Store](#) [13]. The CBTF Store uses PayPal for payment processing - you can pay with your credit card or with your PayPal account - but a PayPal account is not required.

FundTunes

With so many MP3 players out there, consider using FundTunes for your music purchases. Through a fundraising partnership between [FundTunes](#) [14] and Universal Music Canada, you can now purchase your favourite tracks for your music collection and raise money for Canada's baton twirlers at the same time!

On the [CBTF Page at FundTunes.com](#) [14], you purchase [3-song](#) [15] and [5-song](#) [16] music bundles. FundTunes sends a PIN code by email that is used on the ChooseYourSongs website as payment for the songs to be downloaded. A portion of the proceeds from each sale is returned directly to CBTF.

Buying music and giving to charity is a great experience. We invite you to buy some music for yourself or e-gift to a friend. Either way, you'll be giving back and getting some great music!

Go Away Travel

In January, 2009, Go Away Travel was named the CBTF Travel Sponsor and launched a commission-sharing arrangement for the benefit of all CBTF supporters. In the past two years, that program has generated almost \$1,500 in commissions for those supporters.

Consider using Go Away Travel for all of your travel needs - whether they are baton-related, personal or business. Under the CBTF Travel Sponsor program, CBTF as well as its members and friends will all directly benefit. Go Away Travel returns a portion of the commission generated from each booking to the party paying for the reservation. This means that individuals, using their CBTF Go Away Travel Referral, will be able to directly reduce the cost of their travel. CBTF will also receive a portion of the commission generated from all referred bookings.

Go Away Travel may be contacted by email (rmcmast@telus.net [17]) or using the [Travel Referral Form](#) [18] on the cbtf.ca website. When contacting Go Away Travel, be sure to indicate that you have been referred by the CBTF as part of **the CBTF Travel Program** to be eligible for your commission rebate.

Shop and Support Program

The [Shop and Support Program](#) [19] provides a new way for clubs to raise money on a consistent basis through their supporters' everyday shopping. Clubs purchase gift cards and certificates at a discount. The club sells them at full-face value and keeps the difference for fundraising activities. Your supporters use the cards & certificates to purchase goods and services at 100's of national and local establishments, including leading retail stores, grocery stores and restaurants.

To participate, the CBTF club enrolls with Shop & Support using the Shop & Support [Program Enrolment Form](#) [20]. Upon successful enrolment, the club coordinator will receive an information package and can begin processing orders right away. [Sample Order Forms](#) [21] and a template 'Dear Supporter' letter, are also available in the CBTF Document Library.

And - for those clubs going to Canadians - check out the great [fundraising opportunity](#) to save money on your hotel stay in Winnipeg!

WBTF Update

Winter Technical Meeting

The WBTF Minutes from both the Technical Advisors and Judges Committee meetings, held at the 2011 WBTF Winter Technical Meeting in Jacksonville, are now available to all CBTF Technical Association Members. There are also reports from our representatives to those meetings - Elan Paluck (Technical Advisors Meeting) and Ron Kopas (Judges Committee Meeting).

These Minutes and Reports are available in the [WBTF Winter Technical Meeting 2011](#) [38] article in the [Document Library](#) [39]. To access this article, Technical Association Members will need to log in to the CBTF.CA website with your username and password.

The Olympic Dream

The WBTF Board of Directors recently decided to pursue *Associate Member* status with the [International DanceSport Federation](#) [40]. A key motivator for this decision is to further the WBTF's goal of seeing Baton Twirling introduced as an Olympic Sport. By 1992, the IDSF had become a full member of the General Association of International Sports Federations ([SportAccord](#) [41]), an umbrella organisation made up of more than 100 sports governing bodies. Soon thereafter, DanceSport was recognised by the [International Olympic Committee](#) [42] and thus became eligible to be included in the Olympic Programme.

One immediate affect of this decision is that the CBTF will be modifying its Constitution & By-Laws, in particular to affirm our organization's commitment to anti-doping in our sport.

Member Countries

- The Russian Federation was recently accepted as a provisional member of the WBTF.
- Puerto Rico, previously admitted as a Provisional Member, is continuing on the full member track. They expect to be fielding a contingent at the upcoming International Cup in Jacksonville.
- India has now completed all the requirements, necessary paperwork and by-laws to be accepted for membership. Their formal application is expected to be heard at the WBTF's Summer Board Meeting.

Twirling Tips Section Added to CBTF.CA

We have added a new section to the website in the Programs | Athletes area - [Twirling Tips](#) [43].

This section is managed by our Athletes' Representative, Sara Thibeault. On a regular basis, Sara will be posting articles with a focus on information that is valuable to our athletes. Three articles have already been posted:
