

International Cup Declaration News

January 17, 2009 - Updated to reflect recently-received Late Declarations.

The International Cup Declaration Process is now complete - 33 athletes have declared their intent to compete and represent Canada at the 5th WBTF International Cup:

- 14 Junior Women
- 13 Senior Women
- 3 Adult Women
- 1 Junior Man
- 1 Team

Based on these Declarations, there are no Events/Divisions/Levels that were oversubscribed (that had more applicants than Canada was eligible to send). Therefore, there is no need for an International Cup Qualifier event - all athletes that have declared their intent to compete at the 5th WBTF International Cup will be named to the Canadian Contingent.

Canada is allowed to send up to 10 athletes in all Events/Divisions/Levels - spots in some Events/Divisions/Levels are still available. These remaining vacancies can be filled by athletes following the Late Declaration Process, strictly on a first-come first-served basis.

Please refer to the article "[International Cup Late Declaration Process \[1\]](#)" for information about the late Declaration Process. Once all spots in an Event/Division/Level have been filled, no further declarations for that Event/Division/Level will be accepted.
