

Report to the 2009 CBTF Annual General Meeting, AGM

Gail Ashcroft, CBTF Past President

Throughout the course of the year, I submitted several reports for the November Fall Board Meeting. As well, I participated in a conference call, and I responded to e-mail discussions and e-voting on various issues.

As chairman of the Nominating Committee, nomination forms were created and circulated to the CBTF membership via CBTF website for the 3 executive positions of president, 2nd vice-president and secretary and for the 3 technical positions of badge officer/skills development program representative, group event representative and sanction officer. In addition, nomination forms for judges' representative, coaches' representative and athletes' representative were prepared, and posted on the website. I monitored the online voting as well as the 3 mail-out ballots for the election of the coaches' representative.

I will be the presiding officer for the CBTF National Election that will occur at the AGM scheduled for Monday, June 29 in Edmonton.
