

**Past President Report**  
for  
**CBTF Board of Directors and Annual General Meeting, AGM**  
July, 2010

My main accomplishments were as follows:

**1. Elections 2010**

The nomination forms were prepared and posted on the website. Nominations were received for the positions of 1<sup>st</sup> Vice-President, Treasurer, Technical Chair and Group Representative. The elections will take place on July 9<sup>th</sup> at the AGM.

**2. Increasing the Judging Pool Committee**

I chaired the committee that consisted of LeeAnn Wilson, Kim Genton, and Ron Kopas. A survey was prepared and conducted with meaningful input from these committee members. The input was compiled. When judging in many provinces, I took the opportunity to discuss the issue of increasing the judging pool. Names were brought forth and roadblocks were mentioned. However, with a busy competition season and my need to focus on the CBTF cookbook, the work came to a halt. So proposals still have to be prioritized, presented to the BOD and implemented in the 2010 - 2011 baton season.

**3. CBTF Coast to Coast Cookbook**

In December the project began. A recipe committee was formed with participation from all member provinces. Recipes were submitted online and accepted until mid March. Type-setting and planning the layout of the book took place until the end of April. In mid April, a meeting was held in Saskatoon with five recipe committee members present. At the beginning of May, the printer received the entire project and over the course of the next few weeks, three dummy copies were edited, proofread with adjustments made. An ISBN and copyright were applied for and received. Printing the cookbook started in mid June and books were couriered to Ontario in time for the Canadians.

[Please promote the sale of the cookbook, so that CBTF realizes a profit for identified programs.](#)

**4. CBTF Business**

I participated in the business of CBTF, providing input and voting, as necessary.

Respectfully submitted,  
Gail Ashcroft
