Hello Board members,

I am sending my résumé out to all CBTF Board members prior to the AGM/Elections on July 9th so you have time to review it. Please find attached my official résumé for you perusal.

I'm sure many of you are wondering why I am interested in the position of CBTF Technical Chair & what I can offer to CBTF.

I was introduced to baton twirling at 9 years of age. My coach & mentor Nancy Needham-Beachin always encouraged me to get more involved which I have always tried to do. She would often have me clerk for her & often invited me to attend seminars. In my final year as an athlete she refused to accept my entry for our club's competition so that I could help her run the competition. One year later, at the age of 20, I was running a Regional competition for OBTA. I am the longest standing OBTA Board member; this is my 22nd consecutive year on the OBTA Board.

I always have loved the sport of baton twirling and after closing the North York Baton Club in 2002 I decided to stay involved by focusing my passion on judging. Since 2003, I have judged 2 WBTF World Championships, 3 WBTF International Cups & 4 IBTA Championships.

I enjoy judging and I plan to remain an active judge & SDP adjudicator even if elected to the position of Technical Chair.

I am free of any conflict of interest within CBTF. I think that is an important asset to the position of CBTF Technical Chair.

My board & experience is quite vast outside of the baton twirling community as well, as my résumé will attest to.

If you have any questions for me please feel free to contact me by phone or e-mail.

Thank you for your support.

Sincerely,

Stephanie Hewis
