

Athletes' Rep Report

This year, I attended this 2014 FTM, AGM, and FBM via GoToMeeting. I sized, ordered, and distributed the Canada tracksuits to the International Cup contingent. Special thanks to Joanne Moser for her help distributing the jackets at Canadians. I also ordered the crest for the International Cup, name crests, and Grand Prix crests. I also organized the Friendship Exchange at Canadians. Alyssa Weatherbee was a fantastic local organizer to work with. I also organized and received applications for the CBTF Scholarship. This year's recipient was Jennifer Parisian.

In Abbotsford, I attended the WBTF Athletes Commission Meeting where we arranged for a WBTF Athletes Instagram account. The country reps have the password and will update it with exciting pictures and short video clips.

Additionally, I update the CBTF Athletes Facebook page when important information needs to be distributed to the athletes.
