

## CBTF COACHES REP...2017 REPORT

As the CBTF Coaches Representative, I am also a member of the CBTF Education Committee

In this capacity, I filmed and scripted a video refresher of all the events in the CBTF Pre-Competitive Program. This video has been placed on the CBTF website with coaching questions and Tips

- Corrected the differences in the Pre-Competitive Program between the video and the scripts in the Pre-Competitive Handbook

- Created a video outlining a strength and flexibility plan over 5 years..to develop a quality illusion

This video will be on the Website

- Submitted an example of a Level 11 Standard Dance Twirl Team

- Have been working with Dana and our consultant (Chantal Ounsworth) on the re-alignment of the CBTF Coaching and Judging programs

GoingForward:

The re-alignment of our Coaching and Judging Programs will be a priority during the 2017/18 season

I will continue to endeavour to contribute support materials for the new CBTF Group Event 'Twirl Team'...This new event is a natural progression from The Standard Pre-Competitive Teams 1 and 11 and is an excellent bridge between CBTF Dance Twirl Team and the WBTF Freestyle Team

Respectfully submitted:
