

**CBTF Group Rep Report**  
Respectfully submitted by LeeAnn Wilson

This was a quiet year for my position. I did reach out to Provincial Group Reps asking for their group concerns; however most felt they provided their Technical Chair with their feedback.

I did receive an email this year in regards to dance twirl concepts, yes again! There seems to be confusion from competition to competition amongst the judges. The concerns were in regards to comments made such as "not all quadrants were used, and needs more rolls and multiple baton" Are these requirements or judges personal opinions? I would welcome discussion.

Once again it was an honour to announce the top 10 Clubs in Canada for the Group Challenge Cup. This year's award was presented to the Sundown Optimist Buffalo Gals coach, Maureen Johnson.

I will continue to reach out to the Provincial Group Reps and answer any questions that are brought to my attention.

Wishing all clubs a successful twirling season,

LeeAnn
