

Data Entry Report – 2018

Candy Tedford

Membership forms

- All Renewal forms have been sent to Provincial Membership Registrars.
- Please remember to always include a birthdate for all Type A, B, BR, and G athletes.
- Please make all changes to the actual membership form as I do not necessarily check the Type against Form B.
- Technical information can only be updated if the information is on the form.

Results

Did not receive a lot of results files this year

Advancements – please include age division, score, as well as Level advanced From and To (ex. C to BN)

Duet – please include full name of athletes as I do not always necessarily know which athlete it should be in the case of sisters, or sisters with the same first initial, or multiple athletes with the same last name
