

Skills Development Program Representative Report 2017-2018

This is my first term as SDP Rep. Michelle Bretherick was instrumental in helping me transition into this new role. I'd like to thank Michelle for her time and patience with me. I took over the sdprep@cbtf.ca inbox, as well as coordinating badge orders.

This year, I distributed 221 badges and pins to various provinces. I kept inventory of CBTF's badges and pins. The inventory is attached below.

Additionally, I collected reports from many provinces on their badge testing results. CBTF sanctioned twelve badge exams across three provinces for a total of 358 badges and pins successfully completed.

There are currently 38 certified badge adjudicators across the country.

This summer, I updated the adjudicator's contract to reflect the currently hourly rate, and will update the contract should any fees or rates change.

Lastly, I created an update for all current S1 adjudicators to reflect the 2012 changes to the S1 course. This is an online video. This update will become part of the S1 online course I am currently developing.

Respectfully submitted,

Sara Thibeault
